COLLECTION - VOL 2

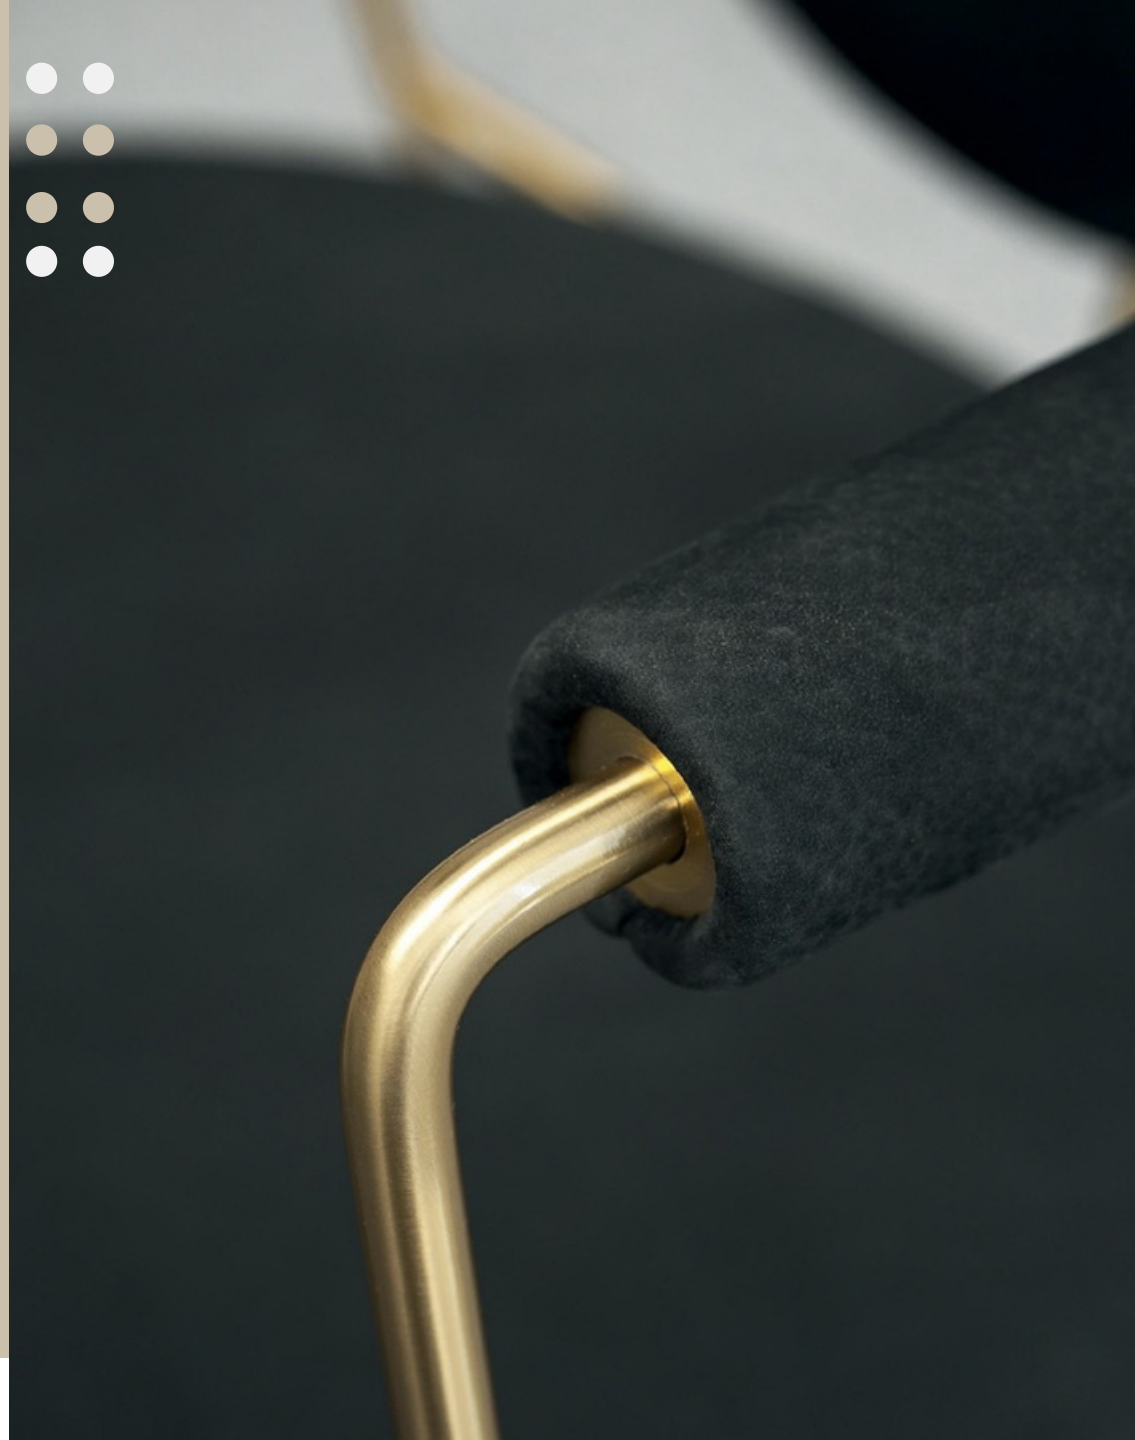

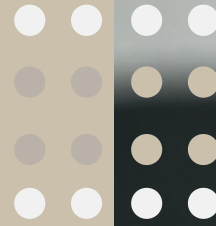

[www.bycupido.com](http://www.bycupido.com)

We have made it our mission to design and produce furniture that takes the space and quality of life to a new level. We produce our design-oriented products in accordance with European quality standards and export them all over the world.

Our company, which went for renewal in 2019 with 24 years of knowledge and experience, is actively operating in 5 countries.

With our sustainability philosophy, we regularly renew our production processes by choosing environmentally friendly materials. In addition, we never compromise our position on not using child labor.
